Short Description
A beautiful focal point from any angle

Description

A beautiful focal point from any angle

Are you looking for a gas fire that can act as a room divider, letting you enjoy the experience from anywhere in the living room?

The Maestro 75XTU *Eco Wave* is the ideal solution. Having a view of the fire on three

sides allows you to enjoy its atmosphere and warmth from all angles.

And, when installed in an L-shaped living room, it becomes a perfect corner fire!

The Maestro 75XTU gas fire can be operated with an electronic remote control, which is a standard feature of the product.

It is also compatible with the exclusive DRU *Eco Wave* system, allowing it to be controlled from a smartphone or tablet using the home's Wi-Fi connection.

Eye-catching, efficient and versatile, the Maestro 75XTU is the definitive 3-sided gas fire
