The Maestro 60 *Eco Wave* front facing gas/electric fire features the exclusive [Dynamic Flame Burner®](#). This unique burner technology, combined with realistic logs and the option of [ClearView](#) anti-reflective glass, ensures the ultimate fireplace experience. Next, [Summerlighting®](#) mode. LEDs create remarkably realistic flames and a comforting glow

with minimal heat output and very low energy consumption. Ideal for those evocative summer evenings when the sun has set and you would love to relax next to the fire.
