Short Description

Wide, handsome gas fire.

Description

Wide, handsome gas fire.

{mp4}DRU_Metro_130XT_Eco_Wave{/mp4}

Metro 130XT *Eco Wave* is an extra tall and wide frameless gas fire. This allows for larger logs or white stones and higher flames. The interior offers a choice of a sleek black finish, throwing the fire effect into sharp relief or a [Ceraglass](#) mirrored finish, which adds visual depth to the flame picture. Energy efficiency is an impressive 89.6%

Specification

Technical specifications
